Accelerating Mission Impact Through People, Technology, & AI

SBA Certified Small Business

PTG International, Inc. (PTG) is a Maryland-based small business that aligns people, operations, and technology around the outcomes that matter most. With more than three decades of organization development and IT experience, we enter the age of AI ready to help advance your mission.

Mission: ***Igniting every mission we serve with purpose and passion for maximum impact.***

- **Organizational & Human Impact.** PTG helps organizations strengthen culture, workforce performance, operational effectiveness, and AI readiness through organizational assessments that align people, processes, technology, and mission.
- **Technology Impact.** PTG designs and delivers secure, scalable digital solutions including AI agents, retrieval augmented generation (RAG), web development, UI/UX design, Drupal CX, and DevSecOps.
- **Performance impact.** PTG transforms data into actionable insights through organizational development, business intelligence, predictive analytics, executive development, training development and delivery, and workforce analytics that improve mission outcomes.
- **Empowering Our Greatest Resource - Our People!** Our clients trust us because we invest in our people. The PTG Family is built on experienced professionals who are empowered to innovate, collaborate, and deliver meaningful results for every client and every mission.
